

1. To determine whether the property is located outside of city limits, go to:
https://www.huduser.gov/portal/sadda/sadda_qct.html
 - Type in the property address in the search bar on the map titled “Find address or place”
 - Select the following layers:
 - FMR Outlines (green outline)
 - Difficult Development Areas (DDA) (orange shade)
 - Color QCT Tracts (pink shade)
 - Determine whether the address falls within the San Joaquin County lines and is in either a DDA or QCT colored area.

2. To determine whether the property is located in either a QCT or DDA, Go to:
<https://sjmap.org/DistrictViewer/>
 - Type in property address in the search bar titles “Find address or place”
 - Click on the property to show parcel query on the right side of screen
 - Locate the City Limit under DISTRICT DETAILS
 - Property is eligible if the City Limit cell is blank
